ADMENTS BROUGHT UP

WASHINGTON, Nov. 6.—Notice was served on Germany by the allied and associated powers in a note and an accompanying protocol, forwarded last Saturday, that the treaty of peace would not go into force until Germany executes to the satisfaction of the allied and associated powers obligations assumed under the armistice convention and additional agreements.

The note made public tonight by the state department provides that the German government shall send representatives to Paris Nov. 10, to make final arrangements for the putting into effect of the treaty. But the note specifies that before the treaty can be made effective thru a process verbal of the deposit of the ratifications the German representatives shall obligate their nation to carry out the terms of the protocol.

The protocol contains obligations assumed by Germany in the armistice convention and complementary agreements which have not been carried out. These include the withdrawal of German troops from Russian territory and the delivery of certain German tonnage.

Most important, however, in the obligations Germany is asked to assume is the replacing of vessels destroyed at Scapa Flow with five light cruisers and to make for the first class battleship sunk at Scapa Flow by turning over floating docks and cranes, tugs and dredges equivalent to a total displacement of 400,000 tons.

Replacement of the submarines destroyed at Scapa Flow thru the turning over of additional submarines and submarine machinery is provided.

THREATENING NOTE PROVED A HOAX

CHICAGO, Nov. 6.—Finding of a note in the Chicago Federal building this afternoon telling of a plot to blow up the structure resulted in the rushing of several details of police to the building.

The note which found on a ledge of the railing surrounding the rotunda on the third floor read as follows:

"At 2:30 p. m., beware. Another bomb will be thrown to the middle of the court loaded with four pounds of T. N. T. enough to blow the building thru the air. This time we fail not."

The note was discovered by a watchman shortly before 2:30 o'clock, who hurriedly notified the custodian of the building. A telephone message was sent to the police and a score of detectives were rushed to the scene. The doors of the building were locked and a guard thrown around the structure.

Every room in the building was then searched and the roof inspected but nothing that aroused the suspicion of the detectives was discovered.

Some federal officials tonight were inclined to believe the note threatening to blow up the federal building found today on the third floor of the building was a hoax, while others regarded it more seriously. The bomb explosion which killed four persons and injured a number of others in Chicago, last Sunday, was attributed by 100 I. W. W. members for conspiracy, a year ago, caused officials to take precautions.

The note inscribed was found sometime earlier than the hour of 2:30 p. m., fixed in the note for a T. N. T. explosion and shortly before that time the doors of the building were made. No suspects connected with the threat were found.

COMMUNIST PARTY ORGANIZER ARRESTED

St. Louis, Mo., Nov. 6.—Frederick W. Friedman, a Serbian and editor of a German language publication in Chicago, has been arrested here by department of justice agents following a speech he delivered last night, in which officials say he advocated overthrow of the government. Authorities say he admitted he is an organizer from the German branch of the communist party.

GREAT BRITAIN WILL CELEBRATE NOV. 11

London, Nov. 6.—The King in a proclamation today appealed to his subjects to join him in celebrating the anniversary of Armistice Day, Nov. 11, by suspension at 11 o'clock of all normal activities for two minutes.

LOCK CASHIER IN VAULT; TAKE \$15,000

Cushing, Okla., Nov. 6.—Two masked men robbed the Oklahoma State bank here this morning of between \$12,000 and \$15,000. The cashier was locked in the bank vault. The robbers escaped.

EIGHT STORES ROBBED

Quincy, Ill., Nov. 6.—Eight stores and a garage were robbed at Koka, Mo., early this morning by automobile bandits, who secured cash, jewelry and other goods to the value of about \$9,000. They left no clue.

GERMANY MUST OBEY OBLIGATIONS OF THE ARMISTICE

Before Peace Treaty Will
Become Effective.

WASHINGTON, Nov. 6.—Notice was served on Germany by the allied and associated powers in a note and an accompanying protocol, forwarded last Saturday, that the treaty of peace would not go into force until Germany executes to the satisfaction of the allied and associated powers obligations assumed under the armistice convention and additional agreements.

The note made public tonight by the state department provides that the German government shall send representatives to Paris Nov. 10, to make final arrangements for the putting into effect of the treaty. Most important, however, in the obligations Germany is asked to assume is the replacing of vessels destroyed at Scapa Flow with five light cruisers and to make for the first class battleship sunk at Scapa Flow by turning over floating docks and cranes, tugs and dredges equivalent to a total displacement of 400,000 tons.

Replacement of the submarines destroyed at Scapa Flow thru the turning over of additional submarines and submarine machinery is provided.

Realizing that the country is burning three times as much coal as the mines are turning out, the railroad administration thru its recently created coal committee took drastic action in ordering that the supplying of coal to foreign owned ships in American ports be stopped immediately.

With calls for assistance from communities suffering from a coal shortage growing more numerous, the railroad administration turned loose every available car to meet the appeals made for fuel.

Orders went to regional directors of railroads from Director General Hines to eliminate train service where possible, but it was officially announced that no general curtailment of service was contemplated.

The discontinuance of foreign tonnage bunkering was the first general step taken by the government since the coal strike began last Saturday toward curtailment of transportation. The central committee made it plain, however, that American owned ships will be loaded under the American flag and would continue to receive coal supplies.

Officials would not predict the result of the order as it was not known in Washington, the amount of foreign tonnage now in American ports dependent on coal supplies from this country. Foreign owned ships being bunkered will be tied up as well as all such incoming vessels with insufficient supplies in their holds to make the return trip.

It was apparent that the central committee considered that precedence must be given to land traffic in the matter of fuel distribution, before even American permits will be accorded bunkering permits. The strictly observed in dividing the coal stocks, members of the committee said, as the supplies of coal on hand and in transit "will just about be able to take care of domestic demands and necessary rail transportation."

Before leaving Washington tonight for Indianapolis, Assistant Attorney General Ames in charge of the government's case, declared there was no change in its policy toward the strike and that he would endeavor to obtain a renewal of its temporary injunction.

Reports from agents of the department of justice showed little overnight change in conditions that operators claimed 44 union mines in operation in West Virginia, a gain of 32 over last Saturday. Officers of the American Federation of Labor and representatives of the miners denied these reports and asserted their own advice showed no crumbling of union forces anywhere in the bituminous regions. There were rumors apparently emanating from high sources that the injunction hearing set for Saturday night go over one week without prejudice to either side. Equally persistent were reports that Samuel Gompers, president of the American Federation of Labor, would make a personal appeal to Attorney General Palmer tomorrow for withdrawal of the restraining order and all court proceedings on assurance that if this were done the strike could be settled and the men put back to work in the mines in 48 hours.

Mr. Palmer was out of the city but the statement by Judge Ames that the government would not compromise the strike which it held illegal was accepted as the last word on the subject.

Dismissal of all court proceedings asked for today by the unions will make it possible, labor trusts said, for the two sides, thru their full scale committees, to negotiate a new wage agreement at one stroke.

Government officials took another look at stock reports and while these indicated coal enough to meet the immediate needs, the fact stated them in the face that the daily consumption was around ten million tons while the daily output had been reduced by the strike to about three and a half million tons.

A full report of the strike situation will be presented to the cabinet meeting tomorrow.

While it has been announced that the cabinet stood solidly together in formulating the government's strike policy, it has been common talk in labor and official circles that Secretary Wilson, a former officer of the United Mine Workers of America, strongly opposed injunction proceedings.

STEPS TAKEN TO CURTAIL USE OF BITUMINOUS COAL

Supplying Fuel to
Foreign Ships Is
Stopped.

PUBLIC WILL BE PROTECTED

WASHINGTON, Nov. 6.—Still hopeful that court developments at Indianapolis Saturday night point the way to an early ending of the coal strike, government agencies nevertheless put forth renewed and more determined efforts today to protect the public against distress almost certain to result from a protracted suspension of mining operations.

Realizing that the country is burning three times as much coal as the mines are turning out, the railroad administration thru its recently created coal committee took drastic action in ordering that the supplying of coal to foreign owned ships in American ports be stopped immediately.

With calls for assistance from communities suffering from a coal shortage growing more numerous, the railroad administration turned loose every available car to meet the appeals made for fuel.

U. S. WILL NOT DEMAND PAYMENT OF RANSOM MONEY BY MEXICO

Jenkins Will Have to Effect
His Own Reimbursement.

WASHINGTON, Nov. 6.—Policy of the United States regarding kidnapping of Americans in Mexico and attacks upon Americans and their property in that country was set forth today in an official announcement that unless negligence on the part of the Mexican authorities can be shown there will be no claim for damages made by this government.

The kidnapping of William O. Jenkins, American consular agent at Tampico, and the payment by his attorney of \$150,000 ransom for his liberty was discussed at length by a high official of the state department in outlining the policy of the United States. Jenkins will have to effect his own reimbursement of the money paid to the Mexicans who kidnapped him, it was said, unless he can prove that the Mexican government was negligent in affording him protection. Americans in Mexico can expect no more or different protection than is afforded to Mexicans under the Mexican law, this official said, in definitely disposing of the suggestion that the protection sought by Americans in Mexico thru diplomatic channels, to counterbalance the greater measure of protection granted to Mexicans by their courts, will not be urged by this government.

It was admitted by the state department officials that the robbery of American mine and oil company paymasters might be different as the paymasters are compelled to notify the authorities in advance of their route, time of departure and the amount of money carried. Assertion that on occasions, Mexican soldiers in federal uniforms are reported as participating in the robberies and that officers of the federal army at the time they led their men in alleged raids on the camps, brought the reply that in such event "there might" be grounds for a claim against the Mexican government under international law. Advice from Mexico City today indicated the newspapers of that capital are much exercised over the situation and the refusal of the Carranza government to reimburse Jenkins for the money paid to the Mexican kidnappers.

WILL OF THEODORE P. SHONTS MISSING

NEW YORK, Nov. 6.—The late Theodore P. Shonts, president of the Interborough Rapid Transit Company, made a will in favor of his widow, Mrs. Milla D. Shonts, but the document cannot be found according to a petition filed by her today in surrogate's court here when she was appointed temporary administratrix of her husband's estate. The will, which was drawn up in 1914, named her as sole beneficiary of the estate of the traction head, valued at \$474,000 she said.

Just before Mr. Shonts died, his widow said, she learned he was about to make another will leaving the greater part of his property to a woman who was not related to him. The second will, however, has not been offered for probate, but if this action is taken it will be contested, Mrs. Shonts asserted.

RECIPE TO KEEP FROM GETTING OLD

LONDON, Nov. 6.—By The Associated Press.—Dr. Josiah Oldfield known internationally as a physician and a writer, has published a prescription for keeping old age at bay.

According to him it is not a question of an operation but a daily diet, which includes dandelion leaves, fowls eggs, grapes, lettuce, cow's milk, watercress, honey and salads (uncooked).

"Old age," he says, "is largely caused by deposits in the blood vessels and cells of the body of waste matter. So by adopting a part frutitarian diet, a man, however, old, may become young again, because every cell in the body will be replaced by new young cells."

Dr. Oldfield considers that a normal person rightly fed should live from 90 to 105 years of age.

WILL CELEBRATE ARMISTICE DAY

CHICAGO, Nov. 6.—In the celebration of armistice day, November 11, all Chicagoans at 11 o'clock will stop for one minute and face toward the east according to plans announced for the celebration today. School children will commemorate the day with exercises and army cannon in a city park will fire salutes. Ten bands will play in the downtown district. The celebration will be ended with a number of dances and receptions.

ALABAMA TOWNS APPEAL FOR COAL

Montgomery, Ala., Nov. 6.—Appeals from seven Alabama towns for relief from a shortage of coal reached the state public service commission today. The commission referred the calls for assistance to the federal manager of the Southern Railway. Reports from the towns described the situation as acute.

FREEPORT POSTMASTER DIES

Freeport, Ill., Nov. 6.—Hezekiah Poffenberger, 78 years old, postmaster of Freeport since 1913, former county clerk and for many years editor of the Freeport Bulletin, died here today.

ATTACKS JAPAN'S METHOD OF SELECTING LABOR DELEGATE

Belgian Declares That Country
Is Unfavorable to
Organizations.

WASHINGTON, Nov. 6.—Declaring that the Japanese government "has tried to prevent workers from forming organizations," Cornell Mertens, Belgian labor delegate, violated the provisions of the treaty of peace and the right of free association.

The conference adopted unanimously however, the report of its credentials committee recommendation that no action might be taken on protests which had been lodged against Mr. Mosmotto.

Mr. Mosmotto was learned today agreed with other labor delegates on the question of the eight hour day and objected to the position of the Japanese government representatives who are asking reservations for Japan on account of her backward industrial developments.

Declaring that Washington newspapers had interpreted yesterday's voting as a setback to the eight hour day, Leon Jouhaux, French labor delegate, said the press was spreading an unfavorable impression of the conference to American workers.

Baron Des Planches, representing the Italian government wanted the conference to issue an official communique, but Secretary of Labor Wilson, conference chairman pointed out that in a country without censorship, only newspaper owners and editors are responsible for what is printed.

RALPH GREENLEAF CHARGED WITH MURDER

BRIDGEPORT, Conn., Nov. 6.—Ralph Greenleaf, Monmouth, Ill., a pocket billiard expert, was arrested here late tonight on a coroner's warrant in connection with the murder at Milford, Conn., of Benjamin Blaukowitz, New York City, messenger for a New York broker, who disappeared with \$178,000 life bonds.

Greenleaf's manager, George Worden of New York City, also was arrested the police announced both being held at police headquarters.

The arrest of the two men is the first known to have been made in connection with the Blaukowitz case since New York and Chicago police apprehended eleven persons charged with complicity in the murder or as accomplices in disposing of the liberty bonds.

Greenleaf, accompanied by Worden, came here to play in a pocket billiard match.

RITCHIE LEADS IN MARYLAND ELECTION

Complete unofficial returns from yesterday's election in Maryland show that Albert C. Ritchie, (Democrat) for governor has a plurality of 198 over Harry W. Nice, (Republican). The Republicans do not concede the election of Ritchie, however, and claim the official canvass will show that Nice has been elected.

In Kentucky the state-wide prohibition amendment is still in doubt. Complete unofficial returns from 34 out of the 120 counties in the state give the wets a majority of 564 votes. The anti-Saloon League claims however that complete returns from the 36 remaining counties will show a majority for the dries and that the amendment will carry by 5,000.

In Ohio results on the four prohibition amendments were still in doubt. State Manager for the "drys" claims that all four proposals were carried by the prohibition forces. The state manager for the "wets" admits defeat of the 2.75 beer proposal and also statewide prohibition. He claims however, that the "kets" defeated the Crabbe prohibition act and the federal prohibition amendment will be close.

L. H. Gibson, state manager of the wets, admits defeat on the 2.75 beer proposal and also the defeat of the proposal to defeat statewide prohibition. He states however, that the wets defeated the Crabbe prohibition and the federal prohibition amendment.

J. H. White, state manager for the dries, claims all four proposals.

THINKS KAISER PUNISHED ENOUGH

London, Nov. 6.—(By The Associated Press)—King George gave his view of the former German emperor in the course of an audience with a missionary from Armenia, Archibald Forster. When the missionary told the story of his captivity of four years, saying that the troubles had all been instigated by the Germans, the King replied:

"Well they are finished now. The Kaiser has had to run away from his own country. He is well punished for all he did."

PREPARE FOR RED PEPPER RIOTS

Youngstown, O., Nov. 6.—Deputy sheriffs appeared at the entrance of the Youngstown Sheet and Tube Company plant today, wearing goggles as a protection against recurrence of "red pepper riots," by women which occurred Tuesday and Wednesday.

FAVOR WOMAN'S SUFFRAGE

Augusta, Me., Nov. 6.—The amendment to the federal constitution giving women the right to vote was ratified in the house today in concurrence with the senate. The vote was 72 to 68.

SITUATION IN RUSSIA BECOMES MORE SERIOUS

American Hospital Is
Ordered Moved
from Omsk.

OFFICIALS GIVE VIEWS

OMSK, Friday, October 31.—(By The A. P.)—The occupation by the Bolsheviks of Petropavlovsk and their near approach to the Ishim river northward, has given the military situation a serious aspect. There is noticeable tension among the population.

The latest bulletins issued here show that the Red forces have approached within forty miles of the town of Ishim and that their front extends from Ishim diagonally to Petropavlovsk thru Kazakova.

It is anticipated that the Siberian forces will make a stand before Omsk instead of along the Ishim.

OMSK, Friday, Oct. 31.—(By The Associated Press.)—Owing to the menacing advance of the Bolshevik forces Admiral Kolchak has ordered a preliminary evacuation of Omsk by the American hospital and such government departments as are not directly necessary here. It is possible that the seat of government may be moved to the eastward.

Express railway service has been temporarily suspended and railway cars are being concentrated at Omsk, as a precautionary measure.

Colonel Emerson has rescinded the order to the American railway corps to retire from Siberia and the men are remaining at their posts for duty.

Major General Janin, commanding the Czech-Slovak forces whose withdrawal had been ordered has given assurances that the Czechs will keep communications open for the present. American Consul General Harris, General Knox, the British commander, and General Janin, regard the situation as grave, the not yet critical.

They propose to retire from Omsk only if the government decides to leave the city as it is forecast will occur if its security is too greatly menaced.

The American hospital and the government offices which are now leaving Omsk will be established at Irkutsk.

RESULTS FROM OHIO ELECTION UNCERTAIN

COLUMBUS, O., Nov. 6.—Tuesday prohibition election results in Ohio show:

1: Actual figures of returns from 59 out of 88 counties shows wets in lead on all four prohibition proposals.

2: Secretary of state officials say that available figures indicate that the wets won in the defeat of the Crabbe state prohibition enforcement act and that the final result on the ratification of the Ohio legislature's endorsement of federal prohibition amendment will be close.

3: L. H. Gibson, state manager of the wets, admits defeat on the 2.75 beer proposal and also the defeat of the proposal to defeat statewide prohibition. He states however, that the wets defeated the Crabbe prohibition and the federal prohibition amendment.

J. H. White, state manager for the dries, claims all four proposals.

FRANCE'S WAR EXPENDITURES

Paris, Tuesday, November 4.—France's war expenditures, according to revised figures announced by the budget committee amounts to 159,000,000 francs, exclusive of pensions and losses in the devastated regions. Pensions it is estimated will reach 4,500,000 francs this year.

SERVICE MEDALS GIVEN

Washington, Nov. 6.—Awards of the distinguished service medals were announced today by the war department to Col. James J. Mayes, Springfield, Mo.; Lieutenant Col. John C. McCoy, Paterson, N. J.; Captain M. J. Bourgeois, French Army and M. Justin Goddard, under-secretary of state, chief of the medical department of French army.

ARGUMENTS AGAINST CONSTITUTIONALITY OF PROHIBITION

Made by Elihu Root Before
U. S. District
Court.

NEW YORK, Nov. 6.—Elihu Root argued against the constitutionality of the prohibition enforcement act in the United States district court today stating that its passage was under false pretenses and beyond the power of congress.

He was associated with William D. Guthrie in the suit of Jacob Ruppert who seeks an injunction against the local United States attorney in order that sale of 2.75 per cent beer may be resumed. Two other suits involving the constitutionality of the act were also argued and Judge Hand took all under advisement.

"On October 27, the sale of this beer was legal," said Mr. Root. "On October 29 its sale was not lawful. On October 28 (the date of the enactment of the Volstead act by overriding of the president's veto) congress has no constitutional authority to prohibit the manufacture and sale of the kind of beer made by the Ruppert Company."

Mr. Root argued that in passing the bill congress was not exercising its constitutional power to raise and support armies.

"The president had told congress that the armies had been demobilized," he said. "He had said over and over again that the actual war had ended and that it was no longer necessary to raise and support an army."

"This bill was not passed in relation to foreign or war," said Mr. Root. "There isn't a man, woman or child in the United States that doesn't know it. The bill was passed under false pretenses."

MINERS' SEEK TO QUASH INJUNCTION

INDIANAPOLIS, Nov. 6.—Taking their first step in the fight against the government's efforts to bring about an end of the coal miners strike, the federal court, attorneys for the United Mine Workers of America today filed a motion in the United States district court here asking that the restraining order issued by Judge Anderson last week be dissolved. The motion will be argued Saturday when the government's petition that the restraining order be made a temporary injunction comes up for hearing. The motion attacks the right of the government to interfere in the controversy and declares that it is "without equity and clean hands in the prosecution of this suit."

The charge of lack of equity was based on the argument that the president had dissolved the fuel administration following cessation of hostilities and was without authority to reestablish the administration "without the exigency of war," and that the United States has there brought about confusion and disorder. The document attacks the clause of the restraining order which prevents disbursement of strike benefits, declaring that the benefit fund the property of the members of the miners organization is denied them without just cause and without compensation.

The motion also declares that the government's petition for an injunction does not disclose that the plaintiff, the United States government has any interest in the subject matter or in the relief sought and that it does not allege that the common lot of the miners will not be improved by a new wage agreement.

Reports to Indianapolis today indicated no change in the situation in the coal fields of the state.

The Indiana public service commission today ordered all burning public utilities having less than two weeks' supply of coal to discontinue at once street lighting.

PROMISE RELIEF FROM WHEAT CONGESTION

WASHINGTON, Nov. 6.—Relief from threatened congestion of wheat shipments, awaiting movement from the great middle western grain belt appears certain it was announced tonight by the railroad administration.

Satisfactory progress in handling of the grain together with an increase in the car supply has been made in the last four days it was stated.

Within the next 24 hours, 135 additional grain cars will be turned over to the rail lines at Kansas City for transfer to the grain producing areas. A similar number will be sent into the wheat carrying trade each succeeding day if plans outlined by the railroad administration materialize.

HOG BRINGS \$30,000

Omaha, Neb., Nov. 6.—What is said to be the record price ever paid for a single hog was paid today by a local breeder. He purchased "Aigner," a yearling Poland China boar for the sum of \$30,000.

"Deaner" was sold for \$4,000 when but a few weeks old and today's sale makes a profit of \$25,000 for the original purchaser in a little less than a year.

LITTLE CHANGE IN COAL MINERS' STRIKE REPORTED

Government Announces
Restrictions
on Use of Fuel.

MANY TOWNS SUFFERING

CHICAGO, Nov. 6.—New restrictions on the use of soft coal were announced today, the sixth day of the miners' strike.

In some localities orders were even more drastic than during the war, but the general situation showed little change.

While production in West Virginia and Colorado was reported increased since yesterday, there was no noticeable change in the ranks of the 425,000 striking miners.

Appeals For Coal.

Appeals for coal to prevent distress in many towns of Kansas and Alabama were sent to state and railroad officials.

The Central Coal committee of the railroad administration at Washington authorized regional directors of railroads to suspend such train service as might be regarded not absolutely necessary but let it be known that no general curtailment was planned.

Sixty-six trains were annulled by the Chicago & Northwestern and the Chicago, Milwaukee & St. Paul railroads.

Indiana's public service commission took the most drastic action in the domestic field. It decreed lightless streets, discontinuance of electric sign service, coal gas for heating and other advisable restrictions of service by public utilities with less than a two week's supply of coal.

One independent steel mill in Pittsburgh was handicapped for coal.

MINISTERS CONDEMN PRESENT DAY STYLES

ATLANTIC CITY, N. J., Nov. 6.—Present day styles of clothes worn by church women were condemned today at the national training conference of the interchurch world movement of North America.

"The indecent dress of some women in our churches makes it tremendously hard for a young man to keep his thoughts clean and pure," declared the Rev. J. R. Crowther of Seattle. "In public these days you can scarcely tell the difference between a street woman and a church woman."

COUNTY WILL MAINTAIN RECORD

The weather yesterday interfered somewhat with the Red Cross membership drive, especially in the country precincts. Nevertheless general reports are encouraging and there is every reason to believe that Morgan county will live up to its excellent Red Cross record of the past and be second to none in the state.

JUST A CLUB

A bill has been introduced in congress which proposes that President Wilson shall have authority over the mining industry for the period of a year. Probably this bit of proposed legislation was introduced to use as a club over the operators. It is quite generally known that the owners and operators of mines do not at all relish the idea of government control of their properties.

FORCING RAILROAD LEGISLATION

President Wilson has adopted a sure way to bring about some sort of railroad legislation in congress. He has let it be known that the railroads are to be returned to their owners January 1, whether or not congress has enacted adequate new laws to cover the situation. This announcement from the president will likely bring speedy results in the passage of some sort of railroad legislation designed to meet the situation.

AMERICANISM WINS

Gov. Coolidge of Massachusetts was re-elected on the Republican ticket by 125,000 majority. The party, however, is fair enough not to take all credit. Party lines were broken down and it was considered a fight of Americanism vs. un-Americanism, and the patriots won. The candidate who opposed Gov. Coolidge had appealed for radical support and had declared that if elected he would return to office the striking Boston policemen.

DESERVED HONORS

David Shanahan is to be president of the constitutional convention without opposition, it is announced. Certainly this is a credit to the ability and the fairness of the speaker of the Illinois general assembly. Mr. Shanahan was chosen a convention delegate without opposition. His long connection with the Illinois legislature has made him very familiar with state affairs and needs. He is qualified for the new office of prominence and responsibility that he will occupy.

WILLINGLY SUPPORT SCHOOLS

A monster parade of school children was held in St. Louis to impress the people with the need of voting in favor of higher school taxes. There is less difficulty in securing favorable action on taxes for school support since

the great majority of people know that the public school system of the country makes for American institutions and is the most important influence there is for improving the conditions of the plain people. There are usually votes in favor of increased school taxes when there is opposition to every other form of increase.

RECORD CHRISTMAS SHOPPING PROMISED

The old slogan of "shop early" is already being heard with reference to the Christmas season of 1919. All indications point to a record Christmas business. Most people have more than enough for their immediate wants and those who look forward a little feel confident over the business outlook. Merchants testify that this is an era of spending and so Christmas this year is likely to set the new record and so be in quite sharp contrast to last year, when timidity and uncertainty dominated business conditions, even if the people were rejoicing that the great war had ended a few weeks earlier.

AN ADVISORY VOTE

It is interesting to note that the three public policy questions submitted in the election Tuesday were defeated by a heavy vote in this county. Unofficial returns indicate that the heavy favorable vote given the questions in Chicago and Cook county will be sufficient to effect the downstate opposition. It is well to remember that this was just an advisory vote and the delegates to the constitutional convention are in no way bound to submit the questions as a part of the proposed constitution.

The total vote on the questions was small by comparison with the total voting strength of the state.

WORK IS THE REMEDY

Premier Clemenceau of France has gained the reputation of being one of the world's greatest statesmen. The Frenchman said recently: "The world's only salvation from the social and economic chaos from which it is now emerging is work."

Then he said that work continuously and generally will increase production and that there lies the solution for conditions of which so many complain. This is a bit of philosophy that may well be considered by those who continually seek to lessen the production of each individual worker.

OHIO AUTOMOBILES.

(From Ohio State Journal.) Ohio is a close second to New York in the number of autos licensed in the state. It was far ahead of the Empire State during the summer, but is now in second place. On August 1 New York had 504,771, and Ohio was crowding it, close to 495,000. If the cars already sold in Ohio are delivered during the fall Ohio may easily pass the 500,000 figure and crowd New York for first place. Automobile statistics compiled by the national organization show that above 40 per cent of all autos in the country are owned by farmers.

THE DELUGE OF ADVERTISING

It's an unusual situation when a great newspaper is compelled to refuse advertising. The Chicago Tribune yesterday announced that the paper had been compelled to omit 61 columns of advertising from that issue because of the newspaper shortage.

Wallace Farmer and other weekly publications have been compelled to curtail the size of their editions, and in fact the shortage is so acute that newspapers everywhere are feeling the need of cutting down on space advertising sent them instead of following the usual policy of keeping everlastingly at it in soliciting for new advertising.

summer days, the milkweeds tall and splendid, no longer meet the gaze; the frost is falling nightly I see it gleaming whitely, when in the morn, politely, I cuss November's ways. The night wind, at the casement, now shrieks in fiendish glee; the furnace in the basement is calling, calling me; in spring I didn't need it, the summer weather freed it, but soon I'll have to feed it coal carloads two or three. No wonder if my sonnet should strike a plaintive note; my uncle has my bonnet, he also has my coat; the summer rags I'm wearing won't do when blasts are tearing, and creditors are swearing; my uncle has my goat, alas, that bleak November, which leaves us cold and numb, is followed by December, the blummiest of the year. Then comes fierce January, to punish the unwary; but, hoots! Let us be merry—the worst is yet to come!

WINCHESTER

Winchester, Nov. 6.—Mrs. Anna Coultas, Mrs. Charles Burdick, Mrs. David Hainstirther and daughter, Miss Dorothy, were Jacksonville visitors Thursday.

E. J. Beird of Bluffs was a business visitor here Thursday.

Edward Rohrig spent Tuesday and Wednesday in St. Louis, attending to some business affairs.

Mrs. George Claywell, who has been at Passavant Hospital in Jacksonville since Saturday, is quite ill at the present time.

Clifford Mills took the oath of office Thursday as county commissioner.

Quite a number are taking the teachers' examination which is being held under direction of Miss Olive Wells, the county superintendent of schools. The examination is being held in the court room.

W. H. Mosher left Thursday for White Hall to attend the Knights of Pythias district meeting.

Miss Hester Korty of Bluffs was a visitor in Winchester Thursday.

Yes, we have all sizes in the guaranteed Black Cat silk stockings for ladies, at TOMLINSON'S.

With the Sick

Thomas Reed, the well known veteran of the Civil War and residing on Doolin avenue, has been blind for some time and had begun to despair of ever seeing again. Wednesday afternoon he was taken to Passavant hospital and yesterday morning Dr. A. L. Adams performed a preliminary operation and hopes to be able to restore partial sight. It is a delicate and a very complicated condition of the eyes, one of which was injured by being struck by a stick he was splitting and nearly mashed. Dr. Adams is very careful regarding what he expects to accomplish and has hopes of being able to secure enough eyesight to enable Tom to get about all right and help himself which will be a great blessing.

See those new \$15.00 rain coats at TOMLINSON'S.

BAPTIST REVIVAL

There have been from one to eleven professions of faith each night since Sunday. A large number of persons are planning to unite with the church tonight. The last afternoon service is today at three o'clock. Subject: "The Second Coming of Christ." There will be no services Saturday.

Sunday will be positively the last day of the meetings. If you have not heard Evangelist Yule and Mrs. Yule, come out at once and enjoy the meetings.

Non-church goers and the unsaved are urgently requested to come and hear these able, earnest and good people.

RED CROSS ASSISTS DISABLED SOLDIERS

Is Best Agency For Assisting Soldiers in Obtaining Compensation—Home Service Department Does This Work.

At the present time the greater part of the activity of the local Red Cross Home Service committee is in assisting former soldiers in securing or increasing their compensation. Many have been discharged from the army with a ten per cent disability, whereas their actual handicaps entitle them to a larger per cent. Others have been discharged without any disability, later developing physical defects which entitle them to compensation. The case of one man in our own community is typical of many.

The man referred to was released from the army in apparently good health, but a short time ago he developed disease, the cause of which was directly traceable to his military service. The man was the sole support of his mother and two small children, but he was too ill to work. No appeal was made to the Red Cross; in fact he did not know that he was entitled to compensation. The Home Service investigator learned of his situation purely by chance, while working on another case. Through the agency of the Red Cross the man was sent to the Public Health Service physician, who examines such cases, and a compensation claim was forwarded to the War Risk Insurance bureau. In the meantime he is receiving proper medical care at government expense.

TICKETS NOW ON SALE

Tickets are now on sale for the concert of Mrs. Grace Wood Jess, singer of folk songs which will be given in Music Hall, Illinois Woman's college, Friday evening, November 14.

Mrs. Jess will sing a group of songs in which she will wear a costume worn by Mrs. Abraham Lincoln.

There will be no seats reserved for the concert. Tickets may be secured from any member of the D. A. R., at Brown's music store or Academy hall.

Matrimonial

Why is it that of two persons of the same age responsibilities you'll find one who seems young buoyantly healthy, while the other just feels his thru life, ailing, complaining and growing old rapidly?

The difference lies in nerve energy. One serves it—the other dissipates it through fa nerve action.

Normal nerve action, which brings about a mal distribution of energy in the body, is the basis health. Those who are not always at their b thoroughly well, virile, energetic, strong, heal and ambitious, should let the Chiropractor, by sc tific adjustment of the spine, correct faulty nerve tion. Then Nature, by normal distribution of ene can revitalize and regenerate every part of the b to the normal state that results invariably in gr material benefit.

From County
Agent's Office

A Trip to Greene County

The county agent of Morgan
county made a trip to Greene
county on Wednesday to assist
Farm Adviser E. M. Phillips in
three poultry culling demonstra-
tions. When Fred L. Blair of
the United States Department of
Agriculture, gave those demon-
strations through the state,
Greene County did not succeed in
getting him into that county for
this work and, consequently, they
had not done anything along that
line. Mr. Phillips knew that we
were doing considerable work
along that line in this county and
asked me to assist him in putting
on those demonstrations until he
saw how it was done. The county
agent agreed to do this on con-
dition that Mr. Phillips would
come up into Morgan county later
and assist in some of our com-
munity meetings. The visit in
reality is a sort of move to swap
work. Three demonstrations
were given. One near Berdan,
Illinois and the others southwest
of Carrollton. The people were
advised to keep their culls until
they saw whether or not any mis-
takes had been made.

Hog Sickness

There is considerable hog sick-
ness in Morgan county at the pre-
sent time. We do not believe that
there are any cases of sweeping
losses where hogs have been sys-
tematically vaccinated shortly
after weaning time. We have
had printed cards and also a large
poster on which are listed the
common diseases of swine, the
causes, symptoms and first aid
remedies. A supply of these is
kept in the office at all times.
Any farmer in the county may
have one of these free by applying
for it.

Clover Seed

There is no supply of clover
seed in Morgan county. It is high
in price and hard to get. The
wise thing for the farmers in this
county to do is to buy it this
fall. If they wait until next
spring the price will be still higher.
A year ago the farmers were
advised to buy clover seed at \$18
and \$20 a bushel. Some held off
until spring hoping to get it
cheaper. They paid \$25 a bushel
for it in the spring and even more
for small lots. A word to the
wise ought to be sufficient in this
case.

New Members

The work of a county agent is
made of ups and downs. Some
days, when things are moving
nicely, a fellow gets very enthu-
siastic over his work. At other
times, when hog cholera breaks

out and men won't vaccinate,
continue to throw away good
clover seed on our soil, buy fake
hog remedies, refuse to co-oper-
ate in cleaning up for chinch bugs
or avoid the Hessian Fly, buy
scrub stock and never attend a
meeting, a fellow is far from be-
ing enthusiastic. At times like
this, when a man like A. N. Hall
of Litchfield, or Ira Story and
Percy Sooy or Dr. J. H. Spencer
of Murrayville or Vertrees Blim-
ling of Woodson ask for member-
ship cards without solicitation,
we think the world isn't quite so
blue after all. It's a compliment
to the good sense of many of our
new members that they came in

and were not dragged in. We are
willing to wager that they will
stick and that the secretary of
the organization will never have
to waste very much money for
postage in getting them to pay
dues. It is going to be a glorious
day for farmers' organizations
when they will come in of their
own free will and accord.

Social Events

Aid Society Met.

The Litterberry Christian church Aid Society met at the home of Mrs. J. W. Martin east of Litterberry Thursday afternoon. Twenty-five were present. Those members and visitors. A number of contests were held. The prizes were won by Miss Emma Johnson. Music was enjoyed and a two course luncheon was served.

Enjoy Oyster Supper.

Local oysters were served at a dinner at the oyster supper last evening in honor of Miss Amanda Smith who will be married in California. The party was held at the home of Miss Martha Miller of West. Morton avenue. Those invited were: Misses Amanda Smith, Sue Horn, Ida Norris, Clara Rook, Esther and Amelia Carson, Clara Beck, Helen Wood, Frances Johnson, Martha Miller, Hazel Ray, Henrietta Gruber and Lela Baylis.

Mrs. Neal Observes Eighty-Seventh Birthday.

Mrs. T. Neal of Murrayville celebrated her eighty-seventh birthday at her home in Murrayville Wednesday. A birthday cake was made for her with eighty-seven candles on it. An elaborate dinner was served at noon. Those present were the daughters, Mrs. Emma Crouse, Mrs. Newton Brown, Mrs. Rose Rosey, Mrs. Sarah Greenwalt, Mrs. Charles Greenwalt, Mrs. William Crouse, niece, nephews and great nieces. Mrs. Neal is making every stitch herself. This is surely remarkable for one of her advanced age.

Caritas Lodge Gave Luncheon Party.

A Halloween social was given last evening at the Odd Fellows hall by the Caritas Rebekah Lodge No. 625. The Halloween games of the usual sort were played. Refreshments and sandwiches were served by the committee. Everyone present had a very enjoyable evening.

The committee in charge was as follows: Mrs. Lawrence Goveia, chairman; Miss Frances Miller, Mrs. J. Earl Vasconcellos, Mrs. W. E. Thompson, H. W. Obermeyer, Miss Bernice Dods, Miss Louise Kellough, W. E. Thompson the clerkman, Mrs. J. Earl Vasconcellos, Miss Bernice Dods, Miss Edith Moore, Harold Miller, Helen Thompson and both Thompson were also members of the wedding party. Miss Mary Young was the pianist.

Illinois College Y. W. C. A. Banquets at Academy Hall.

The old girls of Illinois College Y. W. C. A. gave a banquet for the new girls in recital hall at Academy hall Thursday evening. It was a get together meeting and there was a large attendance and the evening was one of great pleasure. The banquet was served by eight boys from Phi Alpha society. They generously donated the money received from their sale of apples. The boys were: Edward T. Ties, Harold K. Dehson, Arnold P. Hagstrom, Miller, Andrew Mendenhall, R. W. Stephenson and Harold Crouse. Following the banquet the following toasts were responded to: V. W. A Duty or a Privilege—Laverne Rice. Our Advisors—Hazel McCormick. Let Us Laugh as We Work—Virginia Bullard. Our Next Geneva Conference—Alice Bray. The Care of Government—Dorothy Rogers. What We All Want—Mrs. J. F. Langton. The program closed with the singing of Auld Lang Syne.

Fourth Ward Parents Teacher Association.

The Fourth Ward Parents Teacher association met yesterday afternoon with a good attendance and a fine degree of interest in the program and work of the organization. In the absence of the president, Robert A. Adams, very capable occupied the chair. After reading and adopting the minutes there were second grade pupils. Mrs. Florioth read an excellent paper which appears below. A social time with refreshments followed and all left feeling the time had been well spent. The paper of Mrs. Floreth follows:

Modern Health Crusade.

Last year there were enlisted in this crusade more than 3,000,000 American children. The crusade itself is a system of teaching and acquiring good health habits and interest in public health. There are four principal results of this movement.

(1) Physical improvement.

(2) Prevention of disease among the children and their families.

(3) Moral discipline.

(4) Awakening of community responsibility.

So much for the crusade. Now for the crusaders; they are children from 6 to 16 years of age who have been enlisted in the crusade.

(1) To keep Crusaders' health rules.

(2) To do nothing that may harm the health of another child.

(3) To keep home and town clean and have at least 75 per cent health chores for each week required for first honors in Health Knighthood and is therefore Modern Health Crusader with rank of "Page."

The following ranks are conferred:

Page—Conferred upon completion of required chores at end of two weeks.

Squire—Conferred upon completion of required chores, three weeks after becoming Page, or at end of five weeks.

Knight—Conferred upon completion of required chores, five weeks after becoming Squire, or at end of ten weeks.

Knight Banner—Conferred upon completion of required chores, five weeks after becoming Knight, or at end of fifteen weeks.

Badges designating the rank of the Crusader are worn. The badges for the Squire and Knight are round and elliptical buttons in colored designs. Knight Banner badge is a gold plated metal permit success. Use it as a spray, gargle or wash. Use it in the mouth, nose and throat. Use it every day—and three times a day. You will be better for the treatments.

CENTENARIAN DIES

AT WHITE HALL

Robert Whitley Sr. Passed Away Thursday at Age of One Hundred Years—Will be Interred at Carlinville Sunday.

White Hall, Nov. 6.—The death of Robert Whitley Sr., occurred at 11 o'clock Thursday morning at the home of his daughter, Mrs. George C. Tunison in White Hall. Death came after a long illness of infirmities incident to old age.

Mr. Whitley was a pioneer of Mcoupin county, member of a family well known and highly respected there. He had reached the remarkable age of one hundred years, having been born Aug. 15, 1819. On his one hundredth birthday anniversary a great celebration was held at the home of his daughter in White Hall, the event being one of the most unique ever recorded in Greene county history.

Funeral services will be held from the home of Mrs. Tunison Sunday afternoon at 2 o'clock. The remains will then be taken to Carlinville where funeral services will be held in the Episcopal church Sunday afternoon at 2 o'clock. Interment will be made at Carlinville.

Jacksonville Chapter, No. 3, R. A. M., will hold a special convocation this evening at six o'clock. WORK, REFRESHMENTS. Visiting companions welcome.

SANGAMON COUNTY ROADS

Of course the sun and short-comings of one community do not excuse those of another but when any person is inclined to talk about Morgan county highways he ought to go to Sangamon county, the proud commonwealth containing the capital of the state. A sufferer said yesterday that an auto traveler to Springfield found very good roads, mostly oiled, all the way to the line or New Berlin and from that on they were wretched. Wonder the officials wouldn't get a move on themselves from selfish motives if from no other.

J. M. Cary was a city caller from Arenville yesterday.

NEW ERA MOVEMENT INSTITUTE HELD

Presbyterian Churches Launching New Era Movement—Meeting Thursday Was Full of Interest.

A general grand movement among the Presbyterian churches of the country has been inaugurated and its purpose is:

To stimulate simultaneous action by the Whole Church in promoting the New Era Program of service this year.

To enable the individual Church to study New Era goals and objectives under the inspiration and direction of New Era Leaders.

To assist the leaders of the individual Church to adapt the New Era Program to local needs for realizing the largest possibilities in: Evangelism, Religious Education, Church and Sunday School Efficiency, Social Service, Stewardship and Finance.

The Jacksonville meeting was held in State Street church yesterday, the Presbyterian churches of the city and ten of the vicinity participating. The meetings were well attended and it is felt that much good was accomplished.

The morning session, Rev. W. H. Marbach presiding, assembled at 10 o'clock and devotional exercises were led by Rev. N. T. Moring of Tallula. The remainder of the morning was occupied by Rev. S. S. Conger of New York City, who discussed the calendar program for the year.

Afternoon Session. Rev. W. E. Spoonst, D. D., presided at the afternoon session. The topic for the first hour was Special phases of spiritual program for fall and winter. The separate topics discussed were:

Family Religion—Rev. Mr. Reynolds of Pisgah church.

Evangelism—Rev. W. E. Spoonst, D. D.

Missionary Education—Rev. S. S. Conger, New York.

Social Service—Rev. Max Wiles.

The next division was assigned to the subject, Perfecting the organization in the individual church, necessary to accomplish the New Era objectives. Rev. S. S. Conger occupied the time speaking of selecting the New Era committee; grouping the members, gathering group leaders for instruction, reports and inspiration.

The next general topic was woman's societies which was discussed by Mrs. W. A. Dean of Chicago who told about goals for the year; how to work thru the group plan; relation to New Era budget and pledges and collections.

New Era Magazine and publicity next claimed attention and Rev. S. S. Conger told about why a New Era magazine: how to use it in church work and how to promote circulation.

Finance objectives and methods was discussed by S. S. Conger, who emphasized securing this year's budget, collecting and remitting.

From four to five o'clock Rev. W. L. Turney of Mason City discussed the Sunday school and L. D. Lagswell of Greenview talked about the best plans to secure the religious efficiency of the young people.

The evening session was presided over by Rev. E. B. Landis.

Rev. S. S. Conger delivered a fine address on "The Challenge of the Hour."

Mrs. W. A. Dean also gave a stirring talk on "Christianizing America."

The entire services of the day were characterized with a deep sense of responsibility and a desire on the part of every one to acquire additional ability to serve the great Master.

TEACHERS TO ATTEND HIGH SCHOOL CONFERENCE

A large number of high school teachers have signified their desire to attend the state high school conference to be held at Champaign the latter part of this week.

This will be the only meeting this year that will be strictly high school in its affairs. It is thought that the board of education will give its permission to the teachers to attend this conference.

RETURN FROM WINCHESTER.

Mr. and Mrs. J. T. Ring have returned to their home in Winchester after a visit with Mrs. Ring's mother, Mrs. Margaret Lonergan on South Main street.

MANY NOW SEEK TEACHER CERTIFICATES

Increases in Salaries Makes Profession More Attractive Than Has Been True.

Thirty young people are taking teachers' examination in the office of County Superintendent of Schools H. H. Vasconcellos. Of the number who enrolled yesterday and began the work which will continue thru today, twenty eight are young women and two men. The fact that there is such a strong demand for teachers and that the pay offered is much better than heretofore, no doubt counts for the increased number of applicants for teachers' certificates.

The names of those preparing to teach are:

Norma M. Abrams, Naples; Vera Baker, Chapin; Mabel E. V. Blackburn, Manchester; V. Elona Bollyard, Meredosia; Elsie Challans, Waverly; Mildred Ione Coultas, Chapin; Ada May Cummings, Manchester; Luella Margaret Dennis, Waverly; Jessie Drennan, Manchester; Catherine S. A SCHOOL IN THE WOODS

Is About What Would Properly Describe Buckhorn Seat of Learning.

A few years ago the writer visited the Buckhorn school and the building made one think it belonged to a widow and the widow wasn't at home, but inquiry proved the directors not to be at fault for not far away a fine, new structure was going up and in its construction they assuredly made amends for any previous shortcomings.

Yesterday morning the writer had the pleasure of visiting the school and assuredly the building is most delightfully located almost in the woods, though not enough so as to be unpleasant. The noble shade trees all about it are indeed grand and serve to make the surroundings very delightful. The new building is truly a superior structure. It is amply equipped with concrete basement where the children may play in bad weather, a furnace that supplies heat without being in the way on the school room floor; it has vestibules for both boys and girls, modern furniture and all in good shape.

On the walls of the room are pictures of Lincoln and Washington and there is room for a lot more at a small expense. The teacher, Miss Bernadette Cosgriff, said they had been advised to wait before buying maps as there would be so many changes when Europe gets down to business that any maps now would soon be out of date. They could use a few more books in the library to good advantage and probably the directors, Messrs. R. Ragan, Edward German and James Cosgriff, will see that the wants are supplied.

The visitor had the great pleasure of talking to his esteemed friends, Mrs. Jerry Flynn and daughter in addition to the pupils and was indeed glad to see them.

The pupils are a well awake set of boys and girls and good naturedly and pleasantly met the visitor as he arrived before school and made him welcome. They appreciate the good things they have and were happy in hearing of the wonders of the world, especially that part of it far away. They were courteous and answered a number of questions in very good style. They will make a mark in the world if they keep on all right. We are proud of them.

SPECIAL TRAIN FOR FOOTBALL GAME

A special train has been chartered by the Illinois College for the Illinois-Millikin football game on Nov. 22.

Coach Harmon's eleven are going over to Millikin this year with a firm resolve to bring back to Illinois College the championship for the year 1919.

Everyone in the city is invited to go with the students of Illinois College to see this game. It will cost just \$4.71 and it will be worth it. Every one that desires to go will leave their name at Lane's Book Store on West State street.

SOME RED CROSS REPORTS ARE DELAYED

Campaign Moves Well Altho all Records Are Not Filed—Murrayville Leads Branch Organizations.

Judging from the reports received at the Red Cross headquarters of the membership campaign, Morgan county will have to make a great effort if she is to be counted among the counties of Illinois securing their quota in this great drive for memberships. A heart and a dollar is all that is required for a membership and the majority of Morgan county should be counted in as members. Twenty per cent of the population is 5511, the membership quota, and this should be reached without any trouble.

Many of the solicitors, especially in the city, are apparently awaiting the end of the week to make a final report. This, however, is not according to the wishes of the campaign committee. In order that some idea may be gained of the progress of the campaign the committee asks that every city worker report to headquarters at the library building today by not later than 4 p. m. The solicitors are asked to make a report even if their work is not completed.

It is hoped that the campaign can be closed Saturday night and all workers are being urged to push their work and cover their territory in the short time that remains.

It seems that some solicitors have refused to take children for members. This is no doubt due to confusion in instructions as any adult or child may be a member of the Red Cross by paying one dollar.

Murrayville's Good Record.

Murrayville seems to be leading the branches in the county as they have reported over half of their quota and are still working. Waverly reports a great campaign, but last night no authentic report was obtainable as to the number secured.

On Saturday the Canteen Girls under Miss Edith Rodgers will help put the quota over by soliciting in the downtown sections.

Evidently the business men of Jacksonville have responded generously to the call for membership for nearly every firm in the city is displaying a 100 per cent banner. In many cases this means a membership of a dozen or more individuals to the firm.

100 Per Cent Firms.

The Red Cross headquarters announces the following additional firms which became 100 per cent yesterday:

M. Hoover, Millinery. Schrag & Cully. New System Bakery. Hefmann Floral Co. Brown Music Store. Princess Candy Co. Cassell's Auto Supply Dept. Dunlap, Russel & Co. Bank. Jas. Wall Pool Room. Wm. Hunter Tailoring Co. Smith Vulcanizing Co. Dr. Sawyer's Office. Dickinson Decorating Co. Drexel Barber Shop. Journal Office. S. S. Knoles, Clothing. Lulu-Davis Drug Store. Kopper's Insurance Agency. P. Bonansinga. Coover & Shreve, East Side. Jas. McGinnis Shoe Store. Schumm Pool Room. L. C. & R. E. Henry, Millinery.

TICKETS NOW ON SALE

Tickets are now on sale for the concert of Mrs. Grace Wood Jess, singer of folk songs which will be given in Music Hall, Illinois Woman's college, Friday evening, November 14.

Mrs. Jess will sing a group of songs in which she will wear a costume worn by Mrs. Abraham Lincoln.

There will be no seats reserved for the concert. Tickets may be secured from any member of the D. A. R., at Brown's music store or Academy hall.

THE RED CROSS HAS A HEART, HAVE YOU A \$?

The Home Service of the Morgan County Chapter of the American Red Cross is not yet demobilized. Yesterday five new cases came into the office. One of these was a dependent of a soldier who had not received her allotment and allowance, asked the Red Cross to take up the case in order that she might get her remuneration.

Two cases of back pay, one a soldier and the other a sailor, have received attention. In another case a soldier gassed on the Western Front, thru his father, has begun proceedings to get compensation for his injuries. This will mean the co-ordination with several agencies in order that the man might have the necessary compensation. Another case is that of a man who, though known in the community came from another county. The local Red Cross committee have begun proceedings to connect this man with his home town. These new cases keep the home service section busy with the after care of the Morgan County returned soldiers.

MADE A TRIP TO SPRINGFIELD

Wednesday night a merry company of young people motored to Springfield to take in a fine entertainment in the capital city. They were: Misses Dora Walls, Grace VanHouten and Margaret Palmer; Messrs. M. O. Walls, John Wilson and W. Deutsch. They returned all right and reported a pleasant time.

LITERBERRY CIRCLE GIVES ANNUAL SUPPER

Clio Circle of Literberry Christian Church Serves Supper Thursday Evening — Unfavorable Weather Interferes With Attendance.

The Clio Circle of the Literberry Christian church gave their annual supper at the church Thursday evening. The inclemency of the weather interfered with the attendance to a great extent, but the young women realized the sum of \$50.41 from their efforts. The menu served was a most excellent one and all who attended were well pleased with the service given. Those who had charge of the various eatables were as follows:

Creamed oysters—Mrs. Harry Martin. Mashed Potatoes—Mrs. W. W. Young.

Sweet Potatoes—Miss May Myers and Miss Emma Johnson. Meat loaf—Misses May Martin and Mabel Johnson.

Salad—Miss Lora Petefish. Ice cream and cake—Miss Lulu Henderson.

The tables were in charge of Mrs. Clyde Lewis, Mrs. William Hull and Mrs. Thomas Pierce. Miss Georgia Lister served as cashier.

UNWISE CHARITY.

Occasionally one gets a harrowing tale of need in some family and forthwith the generous hearted get busy and send supplies too often without investigating. Almost every day stories of unwise charity or efforts to get it come to light. Only recently a case of this kind was noted where a pathetic appeal was made for persons claiming to be suffering from the necessities of life and when investigation was made the family proved unworthy of assistance. We have the social service society in the city and all cases of need should be referred there and they will be carefully investigated and aided if worthy.

WILL MEET.

C. W. B. M. WILL MEET.

The C. W. B. M. of the Christian church will meet in the parlors of the church this afternoon at 2:30. Subject: "Our Oriental Neighbors." A large attendance is desired. The programs for the year are ready.

Reports were received from the various lodges which showed that Pythian affairs in this section are in a prosperous condition. The Past Chancellor rank was then conferred on three candidates. A recess was then taken for luncheon. At the night session the three ranks were given to a number of candidates.

George B. Morrow of Rod-house was appointed district deputy for the district. Jewell E. Scott of Favorite Lodge was selected as Secretary-Treasurer. The next convention will be held in Jacksonville.

HALL WILL NOT VE ARMISTICE DAY

Interest in Event Causes
ates to Give up Plan—
White Hall News Notes.

Hall, Nov. 6.—There no observance of Armistice Day at White Hall, according to the chairman of the committee appointed by the American Legion post, made lack of interest among membership seems to be the reason. It was the intention leading spirits to hold a in connection with the of officers at that time.

but at the same time the soldiers were aware that there was a committee of the city council that arranged farewells and receptions to soldiers during and since the war, and it was the impression that this committee would give a final event on the return of all the White Hall soldier boys, terminating the work of this committee. All the soldier boys are back home except Robert Shaw, in France. Armistice Day was the choice date for the expected closing event by the patriotic committee. Everywhere communities are arranging for the observance of Armistice Day on a magnificent scale and the situation at White Hall is discreditable.

No report of plans and est-

mates for paying came from the board of local improvements at the regular session of the city council this week. The subject was informally considered, and it was decided that as soon as ready, the council will call a special meeting in order to hasten consideration.

The Eastern Star chapter of Carrollton entertained the chapters of the county Wednesday, and there was a large delegation from White Hall.

Methodist Anniversary

The home-coming and 96th anniversary of Methodism in White Hall is conducive of impressive services this week, as outlined a few days ago. Tuesday night Editor W. M. Hailey a former pastor, unexpectedly arrived from

Barry with his family, and he took part, remaining in town until Wednesday afternoon. Wednesday night the music was in charge of the White Hall Music Club, and there was a violin number of Miss Doris English. The greetings in the form of letters and telegrams form a most attractive and inspiring feature. The exercises will continue over Sunday.

Rev. A. E. Pipping of Roodhouse, will conduct the men's chorus Friday night.

Leland Andrews and Albert Smith were in Jacksonville Wednesday on business.

The Jolly Workers of the Presbyterian church have resumed activities in preparation for a season of athletics and sociabilities. Preparations started before the

war for equipping the basement for the purposes are just now being completed, and sixteen workers were served a supper by the ladies following an evening of labor at the initial meeting this week. The gymnasium is to be for the use of the Sunday school classes. The officers of the Jolly Workers are: President, Attorney W. L. Winn; vice president, J. E. Silkwood; secretary, G. A. Rafferty; general manager and trainer, Rev. A. F. Ewert.

R. H. Postelwait has a crop of Kiefer pears that he claims are the biggest, and he trotted out the biggest one to be found in order to demonstrate. It measured 13 inches around and 6 3/4 inches in length, and weighs one pound and six ounces.

National Apple Day

Today is national apple day, but there is no semblance of the occasion in the school or other public affairs here. One might expect that the apple industry of this section to stir interest in such an observance with the total acreage of northern Greene county approaching the two thousand mark. However, like most communities of this class, there is no one to direct attention to the importance of these recurring events in time to map out suitable observance. Community progress and glory can be immeasurably accentuated by a bureau of information in the interest of and provided by the community, in cooperation with the newspapers. The community that first learns this and profits by the immense value to them of all the newspapers will derive first benefits.

Arthur B. Johnson, who has been practicing law at East Moline for the past thirteen years, has decided to locate at Roodhouse. Attorney Johnson is a native of White Hall. During the time he has resided at East Moline the place has grown from 1,200 to 16,000, and he has been identified with its development.

White Hall Couple Marries
The marriage of George North and Miss Grace Tankersley is one of the important social events of the season. The wedding was performed at the North residence on South Main street by Rev. A. F. Ewert, and was witnessed by only intimate members of the family. The bride is an aunt of Mr. North's first wife, who died from influenza about a year ago. The groom is rated as about the leading capitalist of this section of the state. He is president of the People's Bank, to which position he was elected about ten years ago, when he was only twenty-four years of age. He holds a record as a youthful bank president, but the honor and distinction has never feasted him in the least, and while yet a young man, his democratic manner and acts of charity have held him in the highest estimation. The bride comes from an old family, her father being the late William Tankersley. They will spend the winter in California.

Corns Come Off Like Banana Peel

"Gets-It" Leaves Toe Smooth As Your Palm. Never Fails.

Ever peel off a banana skin? Well, that's the way "Gets-It" peels off any corn or callus. It's a picnic. Nothing else in the world will do it.

"2 Drops of 'Gets-It,' Good-bye Corns!"
but "Gets-It" because of the new secret principle in the "Gets-It" formula. "Gets-It" does away forever with "contractions," "wrappy" plaster, ointments that rub off, blood-letting knives, and scissors that nip into the "quick." "Gets-It" eases pain. It takes but a second or two to use "Gets-It." There's no fussing or trouble. It dries immediately. You put your stocking right back on again. Your corn will come off painlessly in one complete piece. That's common-sense. It never fails. "Gets-It," the only sure, guaranteed, money-back corn-remover, costs but a trifle at any drug store. The Vital Parts of a Monarch Guaranteed Long Life

That is the only sure way to tell how good a range is—by looking inside it. See how it is built. Know what kinds of materials are used in it. Find out how the joints are made. It is the inside of a range that counts when you are baking or cooking. The Monarch interior construction is built to withstand the most grilling tests—extreme heat from over-firing, attacks of rust from the corrosion of creosote gases, quick heating and quick cooling—all these are things that happen to your range every day. And if it is not built to withstand these natural attacks it can not serve you efficiently. Nor will it be economical. The walls of this range are completely lined with a heavy coating of Vitreous Enamel which is a sure safeguard against rust. The body is hand riveted and air tight, has a hot blast fire box, saves one-fourth the fuel. See us cook and bake on this range this week.

Can Make It Yourself At Home At Trifling Expense

In spite of all the doubters and

that if taken in time hay fever can
be conquered or at least made so
harmless that it is not even both-

He gave his discovery to scores
of other sufferers with the most
remarkable results and has re-
cently been prevailed upon to dis-

ing attacked by this malady. Men-
Tho-Eze has proven efficacious in
cases of the treatment of sore
throat, la grippe, tonsillitis, bron-
chitis, colds and all troubles re-
sulting from congestion of the
lungs and bronchial tubes. Here
is a plain statement on Spanish
Influenza by the secretary of the
Board of Health of a prominent
middle-west state.

This physician maintains that
Spanish Influenza is like sore
throat, la grippe, tonsillitis, bron-
chitis, colds and similar troubles
in that it is caused by infection of
the nasal passages. He recom-
mends preventing this—and
hence, largely preventing Spanish
Influenza and other maladies—by
keeping the nasal membranes
moist and pliable by means of
some oily aniseptic application.

MISS EDITH NOBIS WEDS ALBERT NICOL

Ceremony Was Solemnized at
Lutheran Church in Arenzville
—Other News Notes.

Arenzville, Nov. 6.—One of the
most important nuptial events of
the season was solemnized Sun-
day evening, Nov. 2, at the Luth-
eran church when Miss Edith No-
bis and Albert Nicol were united
in marriage. The ceremony was
performed by Rev. Tonn, pastor of
the Lutheran church in the pres-
ence of a large company of
relatives and friends. With Wal-
ter Schuler of Beardstown, pre-
siding at the organ, the bridal
party entered the church to the
strains of the wedding march
from Lohengrin.

The bride entered the church
upon the arm of her father, Wil-
liam Nobis.
She was beautifully arrayed in
white silk, with veil of tulle. She
wore orange blossoms and car-
ried a huge bouquet of white
chrysanthemums, with streamers
of white ribbon. The bridesmaid
wore a gown of blue crepe meteor
and carried a shower bouquet of
blue chrysanthemums.

Following the ceremony the
wedding party and a limited num-
ber of friends proceeded to the
home of the bride's parents,
where a delicious supper was
served.

The bride is an accomplished
young woman who is very popu-
lar in the social circles of her
home city. The groom has been
a resident of Arenzville for the
past year, prior to that time hav-
ing been a resident of Collins-
ville. He is industrious and well
right and he and his bride will
have the best wishes of a large
circle of friends for a happy wed-
ded life.

Miss Thomas and Blanch
Haney returned from a brief visit
at White Hall.

David Richart of Kansas has
been a guest of his cousin Ross
Houston.

Mrs. John Lovekamp was a
shopper at Jacksonville, Thurs-
day.

Mrs. Elie Wood and Mrs. O.
Nieman and son Arthur returned
home from a visit at Kansas with
the former's sister.

Miss Louise Zulauf of Jack-
sonville, spent a few days with
her father, John Zulauf.

Arthur Lovekamp and family
of near Meredosia spent Sunday
here and attended services at the
German church.

Over Sea and is a guest of his
brother Opal Arenz at Springfield.

Mrs. Clara Long returned from
several weeks stay in and about
Jacksonville.

Mrs. Harry Anderson has been
a guest of friends for several days
from Springfield.

Those who attended the Nicol
& Nobes wedding were: Mr. and
Mrs. Gus Nicol, parents of groom,
William Grese and wife, Ray
Nicol and Miss Clara, Miss Clara
Rhodes of Collinsville, Ervin
Nicol and wife, Ed Nicol and wife
of Greenville, Walter Nobis and
wife of Michigan, Misses Gusta
and Clara Hueseman of Beard-
stown.

Mrs. Louisa Shrewsbury of
Springfield, departed for Jack-
sonville to visit with Mrs. Lou
Long.

ELECTION RETURNS CANVASSED BY BOARD

Official Figures Do Not Differ
Greatly from Those Previously
Published — County Strongly
Against Public Policy Ques-
tions.

County Clerk Riggs with Squire
A. B. Opperman and Squire Oliver
Wilson, canvassed the vote at
the recent election Thursday.
Only a few changes were made in
the vote on commissioner, the of-
ficial returns giving George A.
Wheeler, Republican, a vote of
2327 against 1942 cast for his
Democratic opponent, E. T. Sam-
ple. This makes Mr. Wheeler's
majority over Mr. Sample 385.
The total vote for Charles Magill,
independent candidate for com-
missioner, was 248.

Constitutional Convention.

FARMERS' INSTITUTE OPENS AT BLUFFS

Bad Weather Cut Down Attend-
ance at First Day's Session—
Addresses Were Interesting.

Bluffs, Nov. 6.—The bad
weather interfered with the
Scott county Farmers' Institute
and Household Science meetings
today. There was nevertheless a
satisfactory attendance and the
program proved one of interest.

The sessions during the day are
held separately, the institute
meeting in the Lewis Opera house
and household science department
at one of the churches. Sixty at-
tended the institute and fifty the
household science session.

C. C. Pevier of Sheffield made
the principal address at the in-
stitute, subject being the manage-
ment and care of livestock. The
speaker offered many valuable
suggestions to his audience and
the subject was afterward dis-
cussed. S. C. Chandler of Car-
terville also spoke, his subject
being Etomology.

Mrs. John Hessler of Decatur
was the main speaker at the
household science session. Her
subject was New Science of
Housekeeping. Mrs. Hessler dealt
with the modern methods in the
care of children and the prepara-
tion of school lunches.

This evening a joint session was
held in the Lewis Opera house.
There was a program of musical
numbers and readings given. Mrs.
Hessler spoke on the subject,
"Our Country Needs Us." Mr.
Pevier delivered the main ad-
dress, his subject being the
"World's Food Problem."

Smith Funeral Held.
Funeral services for James
Smith were held from the resi-
dence in the south part of town
at 11 o'clock Thursday morning
in charge of the Rev. C. J. Rees.
The remains were then taken to
Bloomfield for interment.

Mr. Smith was born near Ox-
ville 76 years ago and all his life
had been spent in Scott county.
He is survived by his widow and
one daughter, Mrs. John Green.

Not in Morgan County

"Funny thing last week; I
thought my hired man had skipped
out and left me," said Farmer
Bentover.
"Hadn't he?" asked Farmer
Stackpole.
"Nope! He went to sleep in a
fence corner and the jimpson
weeds grew up and hid him."

Headless of the Future

Iroquois Chief: The people
are buying more automobiles,
more diamonds, more expensive
clothes, and spending more money
for luxuries than ever before,
with apparently no thought of
tomorrow. Salaried people and
wage earners spend money with
a lavish hand. The saving habit
is apparently forgotten. If a
sudden slump comes, and it will
come some day, good night!

Mental Alertness Unimpaired

Sioux Falls Argus-Leader: The
president may have been a very
sick man, but now he appears to
have his usual mental powers
and self-assertiveness in dealing
with public affairs.

What's the Explanation?

Kansas City Star: President
Wilson appears to be going al-
most as far to win the prohibition
sentiment of the country as John
Sharp Williams did to win the
Irish.

Lumps

Omaha World-Herald: When
a man thinks about a lump of
sugar and a lump of coal he gets
a lump in the throat if he is not
careful.

In No Doubt.

Philadelphia Public Ledger:
At the hearing in Berlin there
seems to be no lack of expert tes-
timony as to who lost the war.

A New Definition

Philadelphia North American:
We seem to have reached a point
where H. C. L. has resolved itself
into high cost of labor.

But Do They?

Minneapolis Journal: The
market news indicates that two
pork chops ought now to be bloos-
soming where one grew before.

Supply Exhausted.

Dallas News: What has be-
come of the old fashioned immi-
grant who didn't come to America
with his head full of wheels?

Not Worth Much

Albany Journal: Of all rights
that American citizens have, that
to quit work is the least valu-
able.

Who Knows?

Lincoln Journal: Economy is
the road to wealth, but how do
you manage to economize?

Griddle Cakes on Frosty Mornings

Can't you see "mother's" griddle cakes as they came on the table, rich, brown and tender? Oh! What a breakfast!! Mother made her griddle cakes from the best flour she could buy—that's one reason they were so good.

Serve griddle cakes to your family and make them with Valier's Enterprise Flour. This unsurpassed flour is milled only from the choicest wheat—wheat for which we have to pay an extra premium.

Valier's Enterprise Flour

may cost you more in the sack, but it is worth it. Besides it is more economical, as you will get more and better bakings—bakings with a flavor unusually rich and pleasing.

Order from your grocer—have him send you a sack today.

Central Christian Church Brotherhood meeting tonight, 6:30.

METHODIST RETREAT

A retreat for the Methodist ministers and lay members of Jacksonville will be held in Brooklyn M. E. church, Friday, Nov. 7. An all day program, beginning at 10 o'clock a. m. will be presented, covering every phase of the great centenary evangelistic campaign. All the churches are represented on the program, the full text of which will appear in tomorrow's paper.

T. H. TULL, Chairman.
G. W. RANDLE, Pastor.

Yes, we have the boys' school rain coats, \$5.00 and \$8.00 at TOMLINSON'S.

THE WOMAN'S CLUB.

The Woman's club will meet Saturday afternoon at three o'clock in the Odd Fellows Hall on East State street. The program will consist of three vocal numbers by Miss Rebecca Scheibel, Call Ye No More, Cadman, My Little House, Seneca Pierce, Kandel of Spring, Frank Bibbs. The address of the afternoon will be by Miss Fannie Brooks on "The Nursing Care of the American Soldier in France." Miss Brooks has been in France for eighteen months. She is a member of the Faculty of the State University at Champaign in their economics department. The program promises an afternoon of rare pleasure.

Central Christian Church Brotherhood meeting tonight, 6:30.

MADE EXCELLENT ADDRESS

The President of the Orleans Woman's Country club made an excellent address at the open meeting of the club recently. She said in all the eighteen years as a member of the club she had never had to fill that office at that time. She wore a beautiful dress of black with jet trimming and a corsage bouquet of American Beauty roses. She spoke very briefly but pointedly.

LOYAL TO THE RED CROSS

The engineering force at the Western Union Telegraph Co. are 100 per cent strong for the Red Cross campaign as most of them have seen overseas service with the A. E. F. and know what the Red Cross means. They are C. F. Schuster, M. F. Anderson, E. C. Bowles, Mrs. E. C. Bowles, H. B. Crowe and P. G. Britts.

FOR BURNING ECZEMA

Apply Zemo the Clean, Antiseptic Liquid—Easy to Use—Does Not Stain

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c or \$1.00 for large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

They Satisfy

A Remarkable New Toilet Soap of Two-fold Value

Remmo Sterilized Toilet Soap cleanses—and it beautifies.

It removes skin impurities and restores the gratifying charm of complexion beauty.

It serves a double purpose—and serves it most satisfactorily.

Remmo Sterilized Toilet Soap is made strictly of the purest ingredients—by one of America's oldest manufacturers of quality soap.

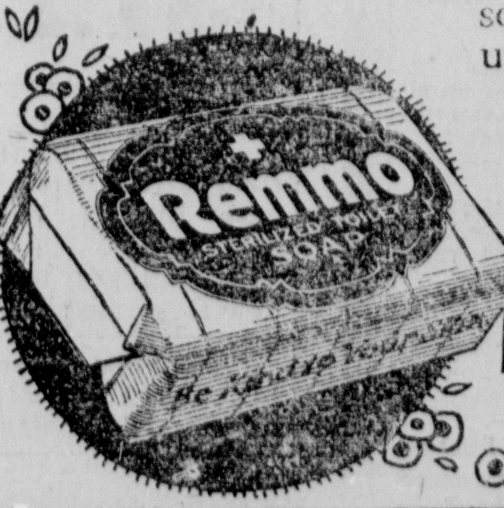

To insure the purity of Remmo Soap, each ingredient is sterilized at 198 degrees Fahrenheit—it is the purest of soap—made pure—kept pure.

Its soft creamy sterilized lather works down into the pores—then washes out bringing all dirt and accumulations with it. It removes the greatest of complexion destroyers—ground in buried dirt. It opens the pores—permits them to function naturally—then the skin is soon flushed with a natural glow of beauty. Beauty that remains because it is not of artificial nature.

Remmo Sterilized Soap is not a medicated soap—no undesirable odor. Simply the purest of toilet soap perfumed with a most delightful fragrance.

Made in a convenient sized cake for travelers. The idea of soap for home or away from home use—so inexpensive it may be used as freely as ordinary toilet soap. You must use toilet soap. Why not use the most beneficial? It costs no more.
